

2014 ANNUAL REPORT FOR THE PROGRAMME "LET'S HELP THE VICTIMS OF 21.11"

ABL V Charitable Foundation's programme "Let's Help the Victims of 21.11" was launched at the end of 2013 with the goal of helping the families of the victims of the Zolitūde tragedy. During the 2013/2014 Christmas charitable campaign, the support from donors for this programme was huge. In the long-term, this will make it possible to provide help and support to the victims and their family members. This year, we have supported two young people who have started studying at Latvian universities.
